

CAFI Executive Board Decision

“Cameroon” – Request for a Project Amendment to the “Pilot Project to support the sustainable intensification and agroecological transition of agriculture” implemented by the International Fund for Agricultural Development (IFAD).

**Adopted by email on 12.02.2025
EB.2025.05**

Considering:

- Decision [EB.2024.23](#) approving “The Pilot Project to support the sustainable intensification and agroecological transition of agriculture” implemented by the International Fund for Agricultural Development (IFAD) for an amount of 20,512,743 USD, to be used over a period of 36 months (until 17 November 2027).

The Executive Board:

1. Thanks the UK for their additional contribution to the CAFI Trust Fund.
2. Requests IFAD to submit a project document amendment for approval by the CAFI Executive Board with a total additional budget of 1,937,500 USD bringing the total project budget to 22,450,243 USD to be used until 17 November 2027. Acknowledges the UK's commitment to the joint decision-making of the pooled CAFI fund.
