

CAFI Executive Board decision
Adopted at Geneva, on October 26, 2015

EB.2015.05.

The Executive Board of CAFI invites the Republic of Congo and the Central African Republic to present a request for preparatory grants for the development of national investment frameworks with their selected implementing partner. It also requests the partner countries to explain how CAFI funding will complement other available and relevant preparatory funding (such as the FIP for example).
