

Fiduciary measures in high risk scenarios Adopted by email on 14 July 2017

EB.2017.16.

The Executive Board

- 1. Takes note of the decision EB.2016.05 on DRC Funding allocation and more specifically its paragraph 12: Implementing agencies are required to provide information to the EB on how they propose to strengthen and enforce their risk mitigation measures according to their own rules and procedures for high risk scenarios. This information will be made available to the EB by 15 of June 2016;
- 2. Takes note of the decision EB.2016.19 on fiduciary measures in high risk scenarios
- 3. Agrees to expand the scope of the aforementioned decisions to countries beyond DRC.
- 4. Requests implementing agencies to provide information to the EB on how they propose to strengthen and enforce their risk mitigation measures according to their own rules and procedures for high risk scenarios. This information will be made available before any approval of programs or fund transfers to the respective agencies in line with the Rules of procedures of the EB (EB.2015.01) regarding deadlines for sharing documents with the EB before its decisions.
