

Annual report

Adopted on 10 July 2019 at EB 13 in Paris

EB.2019.14

In light of

- decision EB.2017.04 and EB.2018.08, requesting implementing organizations to share governance data on an annual basis
- decision EB.2018.08, allowing submission of the CAFI Consolidated report to be extended to the 30th of June of each year in order to take into account competing deadlines
- the preliminary CAFI 2018 Annual Consolidated report submitted to the MPTF-O on 31 May 2019
- the un-finalized status of the 2018 FONAREDD Annual report as of 25 June 2019, a draft version having been submitted to the MPTF-O on 31 May 2019
- the recognized need to ensure that annual reporting allows reporting against the CAFI results framework

the Executive Board

- adopts the CAFI 2018 Consolidated Annual report, dated 25 June 2019
- asks the FONAREDD to ensure, from the next reporting deadline and onwards, that its Annual Consolidated reports are, by 25 June, recommended by its Technical Committee for adoption
- reiterates its requests to agencies implementing FONAREDD programmes to ensure that their reports follow the FONAREDD-set template and language; and to agencies implementing CAFI programmes to abide by the MTPF template and complementary decisions of the Executive Board on reporting guidance
- declares its intention that at least 15% of CAFI-funded programmes are assessed as “gender-responsive” by the next reporting cycle, and that this percentage continues to increase onwards; and asks implementing organizations to help deliver on this ambition
