

DECISION OF THE CAFI EXECUTIVE BOARD

Fiduciary measures – UN-Habitat

Adopted in Paris on 10 October 2017

EB.2017.19

Recalling its decision [EB.2016.05](#), and having considered the six documents submitted by UN-Habitat on how they propose to strengthen and enforce their risk mitigation measures according to their own rules and procedures for high risk scenarios, the CAFI Executive Board

- acknowledges UN Habitat Default modality of “direct implementation”;
- requests that it is used in the context of implementing Programmes in the DRC.
