

DECISION OF THE CAFI EXECUTIVE BOARD
Monitoring and Independent verification (DRC)

Adopted inter-sessionally on 1 November 2017

EB.2017.24

Recalling

- Articles IV and X and Annex I and II of the LOI between DRC and CAFI;
- EB decision EB.2017.13 on joint monitoring and independent verification of milestones (DRC)

The CAFI Executive Board

- a. Recognizes the lead of the FONAREDD in monitoring programmes
- b. Emphasizes the need for timely and regular joint meetings for monitoring the milestones of the LOI
- c. Takes note of the document «Independent verification of the LOI between CAFI and the DRC - Principles for CAFI EB discussion»
- d. Agrees that these principles represent its position and the basis of the negotiations with the DRC on the methodology for the independent verification of the milestones of the LOI
- e. Clarify that reports from bilateral support will be part of the sources of information that the verifiers will consult for desk review
- f. Designates Norway as the lead in the negotiations of the methodology of the independent verification with DRC, with inputs from EB members and support from the CAFI Secretariat.
- g. Asks the CAFI Secretariat, in discussions with the FONAREDD, to prepare a costing exercise for the independent verification before a decision on funding can be made by the EB.
