

No-Cost Extension to project PNAT-SNORF (00111269) with AFD in Gabon  
Adopted by e-mail on the 11th of September 2023

**EB.2023.23**

Considering:

- The [EB.2018.03](#) that approved the program “National land use planning and forest monitoring to promote sustainable development strategies for Gabon” with authorization to disburse the first tranche of USD 9,400,000.
- The [EB.2022.30](#) that approved the disbursement of the second and final tranche, in light of the met conditions, in the amount of USD 9,028,689.
- The current end-date to the [program](#) set as 31 August 2023.
- AFD’s Letter (MM/LIB/2023/249.23) requesting a no-cost extension to the program in reference, with requested new end-date as 28 February 2025 (18 months), as well as the support Note detailing the streamlining of some activities.

The Executive Board,

1. Thanks, the AFD for its letter justifying the difficulties encountered during the program implementation as well as the support note with detailed information about the re-prioritization of activities within the program to support higher performance towards the expected results.
2. Approves, the extension of the end-date of the designated program to 28 February 2025.
