

## Approval of the Revised Regional Technical Assistance Facility PRODOC to including the Scientific Network

Adopted by email on the 10.03.2024

EB. 2024.06

### Considering:

- Decision [EB.2023.29](#) which outlined the need for the development and revision of a project document for the Regional Technical Assistance Facility;
- The recommendations from CAFI Executive Board members regarding the inclusion of the Scientific Network within the Regional Technical Assistance Facility;
- The necessity to align the revised proposal with the broader objectives of the Scientific Network, while ensuring funding and efficiency.

### The CAFI Executive Board:

1. Thanks the UK for their additional contribution to the CAFI Trust Fund.
2. Requests UNOPS to submit a revised project document of the Regional Technical Assistance Facility integrating the Scientific Network with a total budget of 6.6 million US\$. Acknowledges the UK's commitment to the joint decision-making of the pooled CAFI fund.
